二、异议与投诉

A large, pixelated, circular graphic resembling a globe or a stylized letter 'O' with a green and blue color scheme, set against a black background. The graphic is composed of many small, square pixels in various shades of green and blue, creating a textured, digital effect. The overall shape is roughly circular, with some internal details that suggest a globe or a stylized letter 'O'. The background is solid black, making the green and blue graphic stand out prominently.
